To Whom it May Concern:

Bye Bye Birdie was hired by the Nottawasaga Inn Resort in the spring of 2003. Since that time our bird population has dropped to almost zero, and we now experience approximately 10 to 20 birds on a regular basis. Sheri, her helpers and her dogs have managed to make this happen. The dogs chase the birds and the people in charge oil the eggs. The organization has been 100 % professional at all times. We feel that whatever job Sheri undertakes will be accomplished in the same manner. If further information is required please feel free to call me at: 705-435-5504.

Sincerely,
